

Dear mikki,

As governor of the great State of South Carolina I know you have issues far more important than my problem. Enclosed is a copy of a letter I sent to the tax man in Lancaster South Carolina. He has been bugging me for six years about taxes that I do not owe. Please call me, collect if you have to, and I will explain why I need your help.

Thank you,

Dear Dip Stick,

My name is Harry, not Robin Hood. I reside in  
Wilson's Traylor Park, not Sherwood Forrest. You are  
a brainless tax collector, not Prince John.

If I get one more letter from you, I will have  
my lawyer, who is one of the best, if not the best,  
in South Carolina. I will have him call the  
Governor and have you relieved of duty, never to  
hold public office again in the State of S. Carolina.

Do I make myself clear?

Harry  
not Robin Hood
