at 13:34:44 on 12/16/2013 UTC

Brandy Stegemoller Monds Love it!

at 13:54:19 on 12/16/2013 UTC

Ginger Goforth I did. It didn't change the price, though, even when I hit update.

Ginger Goforth Promo is not working - can you update this post when it is?

at 14:10:41 on 12/16/2013 UTC (*hidden*)

Barbara Derrick Code didn't work for me either.

at 14:10:52 on 12/16/2013 UTC

Amy Quinton I tried as well, put Day10 in promotion code, it doesn't seem to work..

at 14:16:48 on 12/16/2013 UTC

Amy Quinton I noticed it changes the shipping options though - with no code, you get several choices including UPS ground (N/A), but when you put in the code the choices for shipping go away and it says UPS ground (Free)...

at 14:19:35 on 12/16/2013 UTC

Craig Sollman To bad, I would have jumped on it if I could extend my existing pass that expires in the summer.

at 14:44:02 on 12/16/2013 UTC

Marianne Revie The discount is not being applied. I have entered CC info and am still seeing \$76 with free shipping. No 10% discount. I am using Firefox latest update. Can you please message me when this is fixed? I would really like to take advantage of this offer and do not know if I'll have time to run over to HBSP to buy in person today.

at 14:46:09 on 12/16/2013 UTC

South Carolina State Parks Ginger Goforth and Amy Quinton, the 10% discount should be applied automatically now. The Day10 code will give you free shipping UPS ground. This is the free method and you will receive it before Christmas.

at 15:07:09 on 12/16/2013 UTC

South Carolina State Parks Susan Barber Hackett, the discount should be there automatically now. The Day10 will take care of the free shipping.

at 15:08:46 on 12/16/2013 UTC

South Carolina State Parks Barbara Derrick, very sorry! Technical difficulty! The discount should automatically be applied now. The Day10 code will take care of the free shipping.

at 15:10:22 on 12/16/2013 UTC

Marianne Revie Thanks. And the cart even kept my order and info intact. That was easy. How soon will you mail them? :)

at 20:01:52 on 12/16/2013 UTC

Melissa Bragg Sack Lawton Sack should we get one? would we put it to good use?

at 20:01:53 on 12/16/2013 UTC

Melissa Bragg Sack How many people get free admission to the historic lighthouse at Hunting Island State Park with the pass?

at 22:38:30 on 12/16/2013 UTC

Lisa Fulmer Next time maybe you could sell it as a voucher that can be redeemed for a pass when your current pass expires like the deal you had at Piggly Wiggly this past year. We buy

one every year, but don't need a new one until April.
at 0:08:40 on 12/17/2013 UTC

Kerry Stubbs I got the free shipping, but the code didn't give me any discount.
at 3:19:54 on 12/17/2013 UTC
