Tell him we'd love to, but it's a session day, and they'll be on the gas tax. There's no way to plan on making it there. Will there be another opportunity?

Hey...

Did you ever decide on this invitation from Sonny Dickenson w/ Seafood Alliance? I'm assuming it's a "NO"...

Lily,  
  
Please accept my thanks for your meeting with me on Wed. Your professionalism is awesome! Representing the Executive Board of the South Carolina Seafood Alliance we are respectfully requesting Lt. Gov. Bryant to be our guest at our **Summit Conference set for Tuesday March 21st in Charleston**. With his agricultural background as well as pharmaceutical "We need the right prescription for our Farmers of the Sea." In short, foreign seafood accounts for 89% of seafood sold in the U.S. while we only account for 11% of domestic sales. South Carolina has great natural resources but needs support from our elected leadership to retake out "share" We could start with Lt. Gov. Bryant's leadership.

Thanks in advance for your consideration of this request as well as what you do each day for the citizens of South Carolina. Please call on us at any time for your support. Look forward to hearing from you. Be Blessed.

All the Best,
