---

Team DSS and DEW,

Gov. Haley has decided that, at this point, a three (3) month extension to the waiver is the best policy to ensure success with both DEW taking over management of the E&T program, and DSS transitioning to ABAWD tracking without a waiver. We would appreciate if the purpose of the waiver was spelled out in the waiver request, that being providing time for the E&T transition and DSS ABAWD tracking.

Thank you for all the work y'all have done to date, and for all the work y'all will continue to do as we move to a waiver-free program starting April 1, 2015.

Please do not hesitate to reach out with any questions. Have a Happy Thanksgiving.

DMG
