[Nikki Haley on WJBF \(ABC\) - Augusta, GA](#)

03/31/2015 06:33:13

Good Morning Augusta (News)

... quality jobs. one local school is taking arts to a whole new level. south carolina governor nikki haley toured the east aiken school of arts monday to see how an arts integrated curriculum is transforming student achievement. the tour was a piece of the process to see what's making a difference when it comes to academic success. the school recently has added ...
