## 2nd Request

Hello Ms. Thomas & Mr. Adams,

I am just following up on the below email to which I have received no response.

You may also recall from the article (see page 3 of attached) that DOR Director Reames "ordered an 'independent review of the audit' by a private, outside firm 'to ensure the accuracy and integrity of the results are not compromised'" ... per Ms. Thomas.

You should know that the "independent" review was done by a member of the same group of people that I have been stating from day #1 "sicked" DOR on us in the first place. DOR & Rick Reames knew this was my belief before selecting an outside firm, and had the very same people that I claimed asked him to harass / audit us ... "independently" review the audit harassment.

Nixon-like tactics?

I am here in Columbia and available to meet anytime.

Dear Ms. Ashley Thomas, (SC DOR spokeswoman) & Mr. Chaney Adams (Governors Press Secretary) ,

I have attached the June 6th, 2015 front page article that Jamie Self wrote for The State Newspaper.

Ms. Thomas, you stated in this article that the emails were "careless and unprofessional" and further stated that "the 'make-up' of the Revenue team that will finish the audits" has been changed. THE TEAM WAS NOT CHANGED .

Mr. Chaney, you stated in the article that the Department "is in the customer service business" and added that the agency is "taking the appropriate steps to ensure something like this doesn't happen again." NO STEPS APPEAR TO HAVE BEEN TAKEN SINCE MY WIFE (and I) WERE CONTACTED BY THE SAME AUDITOR TO COMPLETE THE AUDITS .

Can you address the following:

1. Why was my wife specifically (and I) was contacted by the same SC DOR auditor in completing our personal audits?
2. How were the SC DOR employees involved in this matter "disciplined"?

Please let me know a date and time which you can meet here in Columbia to address the items.

Best,

Jeff Davis, JD, MBA, CPA
