Your email ended up on my desk. I am with the SC Park Service. I am sorry to say I can't help you. I suggest you contact the paper again.

I did not get any help here . I have a problem with the Spartanburg Herald throwing there add paper out in my neighbor hood. These papers lay here for three to four weeks . I have called the Herald and they said it was their right to deliver these papers. I call this litter. could you give me some help?

Thank You
