**Subject:** Charleston church shooter's motive

---

Hi Chaney,

Gov. Haley has said that she doesn't understand the motive of the church shooter. This individual has been photographed **wearing racist patches**, and people who know him say that he often told **racist jokes**. He reportedly **told people** in the church, "You rape our women, and you're taking over our country."

How can the Governor possibly believe that his motive was anything other than racism? Is she aware of these facts about the shooter?
