I don't see any senior discounts or resident discounts for your state parks. I am considering SC as a potential retirement area, and would be disappointed if there were not available.

South Carolina residents who are at least 65 years of age, legally blind or 100% disabled, qualify for certain rate reductions. Proof of age or disability is required. These qualifying residents receive 35% off admission, camping, picnic shelters, golf and fishing pier admission. In order to receive the camping discount, qualifying individuals MUST occupy the site reserved. Also these qualifying residents may purchase a Palmetto Passport for \$37.50 (50% off) for admission to all state parks, or the Inland Passport for \$25, for the period of one year. There are NO rate reductions for lodging, building or meeting facility rentals, leased facilities, resale items or equipment rentals.
