**Discover Carolina** provides students in the lowcountry an opportunity to study their local natural resources in a non-traditional environment while improving upon their academic skills. Local students are fortunate to transform Hunting Island into their own classroom. After their unique "classroom" experiences, students will leave with a new awareness for Marine Ecology or the wonders about life on a Barrier Island. Some students will spend their time investigating the survival of Loggerhead Turtles.

Through this annual fundraising event, Friends of Hunting Island is honored to play a part in the success of Discover Carolina.

**Entry Fees**  
\$25 for 5K Runners  
\$100 for 5 member Teams  
\$15 for Walkers
