We received a letter from Sec. Kerry and Sec. Johnson describing in detail the vetting process, but I don't recall seeing a separate document. But, of course, it could have been an oversight on my part.

Thanks. I will make sure Karen gets monthly reporting on arrivals.
Have you received the DHS information on the vetting process? Let me know if there is additional information you need on this.

Hey Larry,

Hope you are doing well, and will have some time to enjoy the holidays.

We designated Karen Wingo at DSS as our point of contact. Her information, as was sent to NGA, is below. As for our current position on Syrian refugees, Gov. Haley's position remains as stated in her letter to Sec. Kerry (attached). In a nutshell, until she is assured that the vetting process is adequate we request Syrian refugees not be resettled in SC.

Thank you.

David:

I wanted to check to see where you wanted the information sent, as described in the McDonough letter. Also, can you bring me up to speed on Governor Haley's current position on Syrian refugee resettlement to South Carolina? Can you include her latest public statement? Thanks.

Larry,

I wanted to follow up on the below question, but also to see when the state refugee reports, as described in the attached letter from Dennis McDonough, would be available.

Thank you.

Larry,

I hope you had a wonderful Thanksgiving.

Wanted to follow up on this—looking to square the two different sets of data.

Thanks.

Larry,

I hope you are well, and getting some time to relax for the Thanksgiving holiday.

I have a follow up question on something you sent me a while ago regarding refugees resettled in SC. Attached to this email are two documents. One (WO 81928) is the number of SC refugee arrivals you provided to me, and the other (SC Cases Data) is similar data we got from Lutheran Services. The issue is that the numbers do not align. Do you know why this is?

Thank you in advance. Hope to talk with you soon.
