I prefer "sections". Admittedly, I rushed thru it last year.

This is what's in the current draft of the veto message - it's the same text that appeared last year at the end of the document:

For these reasons, I am vetoing the aforementioned line items and provisos in R120, H.3710.

In your markup today, you replaced "provisos" with "sections." I'm fine with whatever you say to use. Just wanted to bring it to your attention to confirm which one you want. Thanks.
