## S.C. Chamber Releases ASCEND Magazine

**COLUMBIA, S.C.** – The South Carolina Chamber of Commerce is thrilled to release our annual magazine, *ASCEND*. This is the premiere publication of the Chamber that showcases businesses large and small and addresses how South Carolina is staying competitive in domestic and international business.

The 2017 *ASCEND* features our 2016 Business Leader of the Year and our Public Servant of the Year, the “South Carolina 100,” a list of the top 100 private companies in our state based on revenue, and a list of South Carolina Power Players.

Tourism is big business in our state. Inside *ASCEND*, the South Carolina Association of Tourism Regions details the undiscovered areas of our state and must-see attractions.

This magazine is a compilation of how the South Carolina Chamber of Commerce is constantly working to make our state the best place in the nation to live, work and do business.
