---

Hope all is well! You all should be buzzing today- Nikki was amazing last night!

On Feb. 8th Aiken Rotary is hosting an International human rights advocate, Beth Klein, Esq. for lunch to talk about refugee issues and human trafficking laws and she is hoping to get a few minutes with the Governor in the afternoon after 2:45 before she flies back to Colorado at 5pm.

Beth has a great deal of influence in these areas and as you may guess is a liberal, but she is impressed with our Governors words on the issue. She was in Paris working with Refugees during the recent terror attacks and has been working to weed out corruption in the vetting process on both sides.

I know it is early to ask and crazy to think with all the hoopla about our Gov. that it would be possible, but wanted to try.

Thanks!
