Hello Chaney, and Happy Holidays!

Chaney, as our staff at MATTER OF FACT with Soledad O'Brien gets ready to head out for the holidays, I'm writing to see if we could interview Gov. Haley for our inauguration show in 2017. Soledad would like to talk to the Governor about how the Trump administration is taking shape, the role she'll play, and her assessment of where the U.S. stands in relationship to the rest of the world, especially the areas embroiled in ongoing conflicts.

We tape here in Washington, DC on Thursday mornings at the Newseum, and I am wondering if the Governor is scheduled to be in DC or New York early in January.

Our first day back in studio is January 5th. Soledad commutes between New York and DC, so we are open to making arrangements for either city, or an on site interview in South Carolina that we can hold for the inaugural show.

Do you think there are any opportunities for the interview and, if so, when and where?

Just so you know, the show now reaches 119 markets, about 80% of the nation, and is the #1 general audience show in syndication.

We are number 4 in viewership behind the network Sunday morning shows, and ahead of CNN and Fox News. So we have become a favorite with audiences across the country. I know you are familiar with our South Carolina Hearst station.

I appreciate your assistance.

If you have questions, please contact me.
