If we could make it 11am ET/10am CT, that'd be great. I have a 9am CT meeting on Monday I can't move.

Jerry,

I hope you are well.

I had a question about part of the letter. Would you have any time Monday morning to briefly discuss?

Thank you in advance.

Action Officers:

Thank you to everyone who was able to attend or call in to the RGPPC briefing on congressional legislation

addressing security concerns re: the vetting process for refugees.

The legislation we discussed this afternoon is linked here: [H.R. 4038](#) , [H.R. 4197](#) and [S. 2363](#).

As a follow-up to the briefing, attached to this email please find:

- 1) The House Homeland Security Committee report on the security risks and counterterrorism challenges associated with the Syrian refugee crisis. The full report can also be found online [HERE](#).
- 2) A PDF provided by Governor Abbott's office containing additional information re: legislation discussed today (HR 4038, HR 4197, S 2363).
- 3) The PDF also includes a draft letter to congressional leadership that **Jerry Strickland, director of federal affairs for Governor Abbott, is requesting other governors' offices consider signing on to.** Pending interest, the target send date for this letter is January 4.

If you would like to provide edits to the letter, please email Jerry Strickland at strickland.jerry@gmail.com by **Monday, December 21st**. If your boss would like to sign on to the letter, the deadline to sign on is **COB, Wednesday, December 23rd**.

As always, please let us know if you have additional questions.
