Subject: Media Interviews
Location: Governor's Office
When: 3/16/2015 2:30:00 PM - 4:10:00 PM

The governor will sit down with media outlets to discuss the proper use of bonds for big infrastructure needs, big economic development infrastructure, big road infrastructure, and things that are not the normal course of business. She will also discuss why she was opposed to legislators using bonding to fulfill their personal wish lists and doing so behind closed doors without debating it with their fellow House colleagues.
