Subject: 2013 PIP Application Forms

Hi Gerry,

I have downloaded the 2013 PIP application to start filling it out, but the forms are only in PDF and are not accessible for filling in. Can you please send them to me in MS Word/Excel?

Also, while the 2013 PIP application is on the home page of the website, the 2012 one is still on the Provider page.

Most of us click thru to the provider page, especially when looking for something specific like this. – I didn't find the 2013 application until yesterday (my fault for not clicking on the home page – I assumed it would be the same on both pages).

Thanks,

Lynda
