The Honorable Nikki R. Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Regarding a State Minimum Wage Increase,

I think the free market system should be allowed to function without government control and the minimum wage should NOT be raised.

I think raising the minimum wage stifles job creation and hurts society in the long run.

I don't think the minimum wage should be raised.

A proud member of National Write Your Congressman.

Sincerely,

John T. Lopat
