

January 14, 2016

The Honorable Governor Nikki R. Haley,

I am writing to you on behalf of my daughter Isabel de Armas a current student at Charlotte Catholic High School in Charlotte, N.C. Isabel is a senior with a 3.7 GPA, and my daughter has been accepted at USC in Columbia, and other Colleges but South Carolina is her dream school and offers an excellent Sports Management program which is what she is going to study.

I would like to fulfill her dreams if possible, but the out of state tuition is out of our financial reach. My daughter, who is a natural born citizen of this great country, of a Cuban father (now American citizen) and a mother who was born in the USA of Puerto Rican parents.

All I am asking is for the opportunity to be considered for instate tuition since we live 5 minutes from the South Carolina border. Isabel will be a first generation College graduate in our family.

We are going to an open House on January the 30th at the campus of USC.

Looking forward of hearing from you. Thanking you in advance for your consideration.

Sincerely,

Ramon

Ramon de Armas
