The fishing pier at Barnwell State Park has needed some TLC for quite a while. We secured funding for the project, and this past week, a group from AmeriCorps descended on the park to get the work done -- in two days! We are so grateful for their work and cannot speak highly enough of the effort & pride they put into this project! Thank you Americorp for a job well done! See you at our new pier: [www.southcarolinaparks.com/barnwell](http://www.southcarolinaparks.com/barnwell)
