Subject: Re: LT Governor's Visit- 21 July

Mrs Livingston requested after the initial meeting and first briefs at SCEMD from 0830-0930, she is going to host Mrs. Bryant at her home for coffee. No need for FRG or J1.1. I spoke with the Lt.Gov. communications Director who said they will provide her transportation to the Livingston's after the SCEMD portion. I will escort and ensure this part is handled- I sent them address but it's tricky to find. After their meeting, this concludes their portion.
