Mr. Godfrey,

Christ Central Ministries' own Roger Floyd, Barbara Franklin and Scooter Scott met yesterday with the mayor, Joe Owens, and City Council, including the City Manager, during lunch to discuss a city-backed offer for everyone in the city of West Columbia who does not have a high school diploma or GED to come to West Columbia City Hall to fill out an application to obtain a GED. Christ Central Ministries will teach and assist each student to obtain a GED at no cost to the student or the state. We would like for this to be a shining light on the hill to encourage other mayors and county officials to get behind educating our uneducated. Also, we are in the process of getting Midlands Tech involved to offer the graduates of the program opportunities to enroll in quick start programs in order to better their income potential and open many doors that would otherwise be unavailable to these individuals. We look forward to what is in store for the Free Fast Track GED Program that has already begun changing people's lives in our community.

Thank you,

Ted McGee
