Good Morning Elisabeth,

I spoke with Joye Hallman at Adult Ed earlier this week. She indicated that she had tested around 20 individuals (NCRC+) since May 29<sup>th</sup>. Do you have the means to check and make sure these tests are being credited toward Bamberg's Goals? The only way that we have to monitor our progress is the ACT Website which is slow to update. Being so close to goal, I'd hate for any to slip through any cracks as the 75 from Bamberg Ehrhardt High did last year.

Also, Denmark Tech tested 18 from the boys and girls club a few weeks ago. Again, I don't know if you see any more information that us, but I would sleep a whole lot better knowing that the information is being passed on correctly to ACT.

Please let me know.

Thanks,  
Kell

The numbers were just updated last week. I sent out an email Friday night. Check and see. I'm traveling today through wed so won't be back in the Ofc until Thursday.

Elisabeth,

I was checking to see if any talent tests are showing up for Bamberg and Allendale on your system. Adult Ed has done some as well as the local Boys and Girls Club, but I don't see any on the ACT website. I know it normally takes a while for numbers to show up on the website, so I'm checking to see if you have anything. In the event that the tests are not being credited due to something on our end, I'm hoping to catch it as soon as possible. Please let me know.

Thanks,  
Kell
