Subject: Bilbro--Amended Complaint just filed this afternoon

FYI. She's added half of state government as defendants, plus a whole host of federal officials from Obama down. I'm not in a position this afternoon to do more than pass this along so you don't hear about it first in the press, but will be in touch later this week.

She also filed a preliminary injunction motion and some exhibits. I'll forward those tomorrow. If she manages to serve the feds properly, one can imagine that the feds will tie this case up for a while.
