Hi Richele –

I spoke with Austin earlier. Thank you so much for arranging to speak to MUSC OT (around 30 students) students Monday at 1:15 pm. We will be on the 3rd floor of the State House (above the Senate). It will be nothing formal. If okay with you, it would be helpful if you could briefly address your duties in the Governor's Office and also your time at LLR and how it relates to oversight of OT.

My cell is 803-422-9173. Really appreciate arranging your schedule to accommodate our group!

Have a nice weekend.
