Dear Governor Haley,

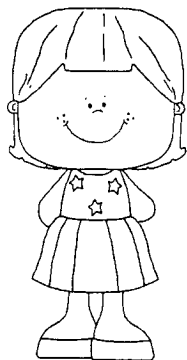

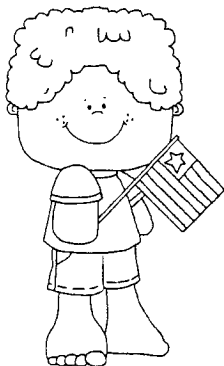

My name is Kennard Smalls, and I am a 2nd grade teacher at Whale Branch Elementary in Seabrook, SC. I graduated from Newberry College in 2011, and I have been teaching in the low country now for almost 3 school years. As we entered the government unit in our classroom, I have been teaching my students about you, and the importance of your job. At the conclusion of the lesson, my students wanted to know if they could write you a letter to thank you for all that you do. Naturally, I obliged. Thank you for taking the time out of your schedule to read our letters. It will truly mean a tremendous amount to my students. Thank you for your time and consideration.

Sincerely,
Kennard K. Smalls
