Subject: Meeting Request

Again, I appreciate the Governor's consideration of my request for a brief 15 - 30 minute meeting as soon as possible on the above-referenced topic. As you are aware, we have been trying for some time. The Governor's issues of concern include second chances and how we assist re-entry of our citizens into the workforce who might have a blight on their background. This is a criminal justice reform issue of national importance and one that affects a large segment of South Carolinians who are deserving of a second chance.
