OH -- YOU'RE GONNA DIG THIS! See you tomorrow at Charles Towne Landing!

***Piecing Together the Past with Archaeology***  
October 8, 2011

### Scheduled Programs

**Archaeology Behind the Scenes**  
Take a tour of our lab with Charles Towne Landing's archaeologist. See how an archaeologist's work continues beyond the dig site. Meets at the Visitor Center at 1:00.

**Digging Charles Towne**  
Take a walking tour of Charles Towne Landing's most important archaeological sites. Hear about archaeological techniques and what archaeology has taught us about Charles Towne's past. Meets at the Visitor Center at 11:00 & 2:00.

**Visit Our Partners' Booths**

**The Charleston Museum**  
Learn about archaeology through interactive programs with some of our friends from the Charleston Museum's Education Department. Held outside Visitor Center (back doors) 11:00-3:00.

**The College of Charleston**  
Join members of The College of Charleston Archaeology Club to learn why the minor in archaeology is the only program in the state to present archaeology as a unified and multidisciplinary field of study shared between the arts, humanities, social sciences and natural sciences. Held outside Visitor Center (back doors) 11:00-3:00.

### Self-guided Activities

**Archaeology Scavenger Hunt**  
Ask for a Scavenger Hunt form at the front desk, then follow the map on the back to the Archaeology Dig Churn. Learn about many of CTL's archaeologically rich sites as you search for artifacts. Available at Visitor Center Front Desk.

**Artifact Assembly**  
Piece together images of objects found at Charles Towne Landing, then journey into the exhibit hall to locate the actual artifacts. In the Classroom at 11:00 - 4:00.

**Mock Archaeological Dig**  
Kids and adults alike can try their skills as an archaeologist at our mock dig area. Carefully unearth artifacts and learn how archaeologists use location type sets to date the objects they find. Held outside Visitor Center (back doors) 11:30-2:30.
