Katherine,

Ted told me you would handle the request for an appointment from Senator Hayes to meet with Governor Haley. Senator Hayes would like a 10 minute meeting with the Governor to discuss the Arts Commission budget.

The Senate Finance Committee funded the Arts Commission at the same level as the House. Senator Hayes is interested in exploring any path that might avoid a veto of that budget.

So, please let me know if there is time on the Governor's calendar for this request.

Thanks, Mike S.
