Chaney,

Good Morning, I am the new Public Information Director for the State Treasurer. I have 20 years as a PIO from my role in the military. But I am relatively new to the political arena. (that may be a good thing).

Do you have a moment this morning we can meet up? I also would like to see a copy of a media plan that you may have. I want to ensure I am swimming in sync with the Governor's overall intent.

Thank you for your time.

-Patrick

Very Respectfully,

**Patrick Montgomery**
