

Governor Haley,

12/22/15

Hello. I want to begin by thanking you for all you do for our State. Your leadership has set you apart and been a source of pride for South Carolinians, whether in Charleston, after the flood, or over the flag.

I am running for the State House of Representatives in District 42 for the Republican Party, but being appointed to the Union County Clerk of Court position would be a great help to me. I have resigned from the church where I served the last eight years so that I can run for the House, so I would greatly benefit from being the Clerk. Not only would it provide the employment I need over the next year, it would give me invaluable experience serving the people of Union County.

Senator Peeler told me he gave you my resume, and I submitted a letter of interest. I would love to discuss this with you further. Thank you for your consideration, and Merry Christmas!
