Tony,
Sorry. I sent the email below to TKester instead of Kester@aging.sc.gov
Please let me know if we can begin to push this down the tracks.
I hope all is well.
Thanks,

Subject: Home Delivered Meals (Drop Ship Program for Isolated/Unserved Seniors)

Hello Tony and Gerry,
I wanted to follow up on getting together to discuss launching this program in our area.
I am currently in a mini battle with a CoA that is not serving individuals outside her existing routes and I am preparing to request written justification and rationale for this client selection practice. I may be more effective in pushing if they knew I had another option.
Either way, I would like to start this as soon as possible if we can.
We can help people in need right away.
Have a nice Thanksgiving.
Talk to you soon,
