**Subject:** RE: Request from Tamron Hall/MSNBC

---

Hello

This is Mike with MSNBC – I know today is a difficult day for the people of South Carolina, but we were wondering if Gov. Haley would join Tamron Hall tomorrow at some point in the morning or at 11am EST

Tamron will be on the ground in Charleston starting at 6am tomorrow – if he could join us that would be great

Please let me know your thoughts

Best

M
