Those palmetto tree and moon seersucker ties, though! For a limited time, these ties are \$4.99! This would make a GREAT Father's Day gift. AND make a total purchase of \$25 or more in our store, use the code PARKLIFE and get free shipping on your entire order. Now that's a double deal! **Jennifer Arndt Autry** Ehhhhh...the crescent was/is technically the gorget. Butttt.....over time the crescent has been repositioned and turned on its side..the tree made more leafy ...so we can interpret it now as maybe more like a moon? Or maybe the moonlight reflected off the armor? Ha
