Danny, I'm going through some old emails I flagged. I've come across this one. I know this was my last action on it because I was waiting for a response on whether you or the Lt. Governor had spoken to Senator Williams. Please let me know how you would like to proceed.

Danny, Lt. Governor Bryant will need to see who would like to serve on the SC Tobacco Community Development Board. In our meeting we discussed him possibly asking Senator Williams. Please let me know once he has asked and I will prepare the documents.
