180 Days: Hartsville (Other)

... (announcer) wmbf news. live... (female reporter) following governor nikki haley's recent vetoes in education. \$2.3 billion dollars was appropriated for education in the state for next school year, and \$2.5 million was cut. today we have a budget deficit. and the real conversation that's going on right now, is should we pull up the ladder? because it costs too ...
