Subject: EMD's Winter Storm cost letter

Attachments: Winter Storm 2014 Cost Share Request (22 May 14).doc

This afternoon, Kim Stenson will have copies of the attached letter hand-delivered to the offices of White, Leatherman, Harrell, and Courson providing the latest estimates of the cost of damage resulting from the Ice Storm. Kim is also emailing a PDF copy of the letter to budget staffers – Mike Shealy, Bev Smith, and Paul Patrick.

If there is anything else I can do on this front, please let me know. I told Kim I would keep him posted on any actions from our office, so please let me know that as well.

Thank you.
