Dear Governor Haley,

Palmetto House Republican Women (PHRW) are having a Military Appreciation Golf Tournament on October 20 at River Falls Golf Course. Wounded Warriors, Veterans, and Active Duty Military will play free.

Please consider sponsoring a \$100 tee sign. In addition, please review the attached brochure for other sponsorship opportunities. If you are available on October 20, please consider playing in the tournament.

A portion of the proceeds benefit Upstate Warrior Solutions, a 501(C)3 non-profit organization, that helps Upstate Wounded Warriors and Veterans. Palmetto House Republican Women also support our military throughout the year with care packages to troops, American Flags to injured military brought to Walter Reed Medical Center, and provide snacks/bottled water to USO Honor Guard who guard The Tomb of the Unknown Soldier at Arlington National Cemetery and conduct hundreds of military funeral services at Arlington.

Because of the sacrifices of so many who have fought for our freedom in the past and today, we are free! Please show your appreciation of our military through your sponsorship! Look forward to hearing from you soon! Thanks so much for all you do for SC!
