A few things:

1) Documents you're looking for are attached.

2) My colleague Chaney Adams is copied on this email. Don't want you to feel like you don't know anyone on our team. Chaney is our press secretary, we work together in the governor's office, and anytime you're looking for stuff from us, you can reach out to her. We'll work together to make sure you're taken care of.

3) Please let us know what questions you have - any and all. We'll do our best to get you squared away.
