Office of the Governor

1205 Pendleton Street

Columbia, SC 29201

Dear Governor Haley,

Pat and I are so very proud of you. I was so excited to get a picture of you with our new Corvette that I missed meeting your husband. May he please forgive me.

Thanks for the Christmas card, you have a lovely family.

We will always support you as long as you desire to continue in politics.

May God bless you and your family at this beautiful Christmas season.

Sincerely,

  
Johnny R. Hoffman, Jr.
