A salute to Assistant Park Manager of the Mountain Bridge Wilderness Area, Kathryn Gompers, who participated in a Powerful Women Summit with the Girl Scouts of South Carolina in January! The program's purpose was to give girls an opportunity to connect with female professionals and hear their stories -- and to show them, you can do anything you set your mind to! Thanks for being a positive leader, Ranger Gompers!

Ann W-Fitz Love it ! How wonderful for those girls!

Danice Cunningham Meunier My daughter absolutely loved talking to Kathryn and pretty much monopolized her time at this event. Thank you for being so engaging and giving of your time!

Jacklyn Beattie My daughter enjoyed meeting her. Kathryn was the first person she spoke of when she came home that day.
