Nikki Haley on WOKV-AM (Radio) - Jacksonville, FL
03/22/2015 15:28:51

... but it's on me i'll make it available to people are always think right now i'll do their complementary for anybody who calls the next 10 minutes the about their nikki haley knew you had for quite some time around as they did when you you that throwing with the way really breaking down what it's doing for us than what you're paying in fees and in all those types of things can be very complicated what might be his team he and all that whether complementary and he stressed that the night the couple met with the court within the ...
