**Suggested Script:**

*And the angel said unto them, "Fear not! For, behold, I bring you tidings of great joy, which shall be to all people. "For unto you is born this day in the city of David, A Saviour, which is Christ the Lord. And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger.*  
--Gospel of St. Luke

That's how the Gospel of St. Luke describes the birth of Christ, 2000 years ago, halfway around the world.

Two millenniums later, Christmas means <sup>many</sup> a lot of different things to <sup>many</sup> a lot of different folks – a religious holiday to some, a time for opening presents to others. For me, Christmas is about remembering the timeless messages that Jesus came to impart on us, and renewing the focus on that message in our own lives.

**Three things**

**1. Jesus led through service (Servant leadership)**

Servant leadership model – When you look at a company structure, depicted as a pyramid – leader is on top, above everybody else.

What Jesus did was turn that concept of leadership, the old concept of leadership, upside down – he inverted the pyramid. Even though Jesus was the leader of his disciples, he served them.

But ~~for~~ I think  
it's apt to say that for a  
it is a time of  
love and  
peace  
on  
earth.

The best example of that in the Bible is found in John 13, when Jesus washed his disciples' feet.

John 13:16 – 17: "I tell you the truth, no servant is greater than his master, nor is a messenger greater than the one who sent him. Now that you know these things, you will be blessed if you do them."

What does that mean? In all of our lives, we have opportunities to serve everyday – whether it is in our families, our businesses or our communities.

That's a concept that Christmas obviously reminds us of, but it's a principle that we should all try to live by all year long – we are all always servants first

## **2. Message of hope**

The birth of Jesus was all about bringing hope to the world – hope to us on an individual level, that there is someone willing to offer us unconditional love

That's the most amazing part of Jesus' message – no matter how bad things are, we've always got Him to stand by us

In South Carolina right now, there are a lot of folks out there with a real need for hope in their lives during this Christmas Season – There are a dozen SC families out there who have lost loved ones to war in Middle East; there are thousands looking for jobs

So, part of the holiday season is about doing what we can to spread hope – that no matter what trials we face in the coming year, those trials will ultimately make us stronger and produce spirits of brotherhood and solidarity among us.

## **3. Message of goodwill and unity**

Jesus, when talking about God's commandments in the Gospel of Mark, says -- Mark 12:31: 'The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these."

Jesus went so far as to call this the greatest of all commandments – the message of altruism; that we should literally care as much or more about those around than we do ourselves

It's something we all fall short of in our daily lives, but it's nonetheless something we should work toward.
