Dear Governor Haley,

Thank you for taking time to read my letter. The reason why I am writing you is because my wife and I just had our first son Anthony and we can't wait to teach him about those individuals that his parents truly look up to. I love politics so obviously I have followed your career from the House of Representatives to now being the Governor. I always admired you but the way you handled the Charleston tragedy was absolutely amazing. I wish here in Chicago we had true leaders like yourself. The way you made everyone feel comfort and that they were loved is something I will never forget. I hope one day you consider running for President because my son will get to be led by someone who understands his parents and the millions of people that support you. I truly admire you.

I am writing to request your autograph and have enclosed a self-addressed stamped envelope for your convenience. Thank you again for taking the time to read this letter. I sincerely thank you in advance for taking the time to send me an autograph for my son.

Sincerely,

A handwritten signature in black ink that reads "Tony Pecoraro". The signature is written in a cursive, flowing style.
