Hey Darryl! I know you have been out of town and will be in high demand today in the office plus whatever you have on your schedule. If you have a chance today can we touch base about this and your thoughts on the meeting with Leeza. It is creeping up on me! I have meetings from 2pm on but am available anytime before then. Just let me know if you have a chance to talk. Thanks!!

Dear Elizabeth,

How are you? I hope your trip was fantastic! Can't wait to hear all about it.

I loved seeing your beautiful posts.  
Welcome home.

**Marti and I would**

like to ask if you would please extend an invitation to the Governor and Lieutenant Governor to attend our Dare2Care Fair event on June 24 at the Columbia Convention Center?

While we have activities throughout the day, the best time for an appearance would be during our sponsors recognition cocktail party from 5-7pm.

( Of course, we'd love for them to stay all day, but want to be mindful of their busy schedules.)

We certainly hope that you and your mom and dad will join us too! Save-the-date detailed emails to come, but we wanted you to have it on calendar.

It's going to be a spirited day honoring our success and solidifying our mission of supporting families as they journey through their healthcare challenges.

I've attached additional information. Please let me know if you'd like a formal request letter and what else you may need.

Thanks for all you do and let me know if you have any questions.

Ever forward,

Leez
