Friends,

Thank you for subscribing to my e-newsletter. I enjoy being able to communicate with you directly, and value your input. If I or my office can ever be helpful to you, please do not hesitate to call us at (843) 727-4525.

Caring for Our Veterans

The delays and the problems we have seen at the VA are totally unacceptable, and I know I join many voices of men and women who have served our country deserve the very best care we can give them. I wrote an op-ed on what has been done so far and steps for the future. You can read it [here](#).

Interested in a U.S. Senate Internship?

My office is now accepting applications for the fall season! Interns are an integral part of the office, and have first-hand how Congress works. Internships are for undergraduate and graduate students, and are available in North Charleston, Greenville, and Columbia offices. Hours can be flexible to accommodate students' course schedules. Internships include research, special projects, answering phones and additional opportunities depending on office location. If you are interested, please call (202) 224-6121 or email internships@scott.senate.gov to learn more.

Ice Bucket Challenge

I was nominated to do the ice bucket challenge! While I enjoyed completing the challenge and the fun of being nominated, helping to fight a devastating disease is our real focus. The power of people to come together and the amount of money and awareness to help our fellow man is incredible, and reminds us of how much we have to do. You can watch my video below.
