Subject: Form required from LGOA

To whom it may concern,

I am a former SCDHHS and LGOA employee seeking a direct rollover of my dormant retirement account at PEBA.

I submitted my first request to PEBA in early April, they said they never received it. I re-submitted.

On May 8th, according to PEBA, a form was sent to LGOA that requires LGOA to confirm my last day on the job.

As of last week, nothing has been received from LGOA.

I called PEBA. I was tersely told that they do not follow up and said it was my responsibility to follow up with LGOA HR.

Last week, I went on line, to find contact info for HR, saw that there is currently a vacancy for the HR position at this time, but left a voice message at the HR number.

I have not received any follow-up communication as of today, 06/15/2017.
