Subject: EPA General Counsel to headline power plant regulatory compliance event

EPA General Counsel to Keynote *POWER* Conference on Power Sector Legal Issues

Avi S. Garbow, General Counsel of the U.S. Environmental Protection Agency, will deliver the keynote address at a one-day conference hosted by *POWER* magazine. The conference will bring together an impressive lineup of experts in power sector legal issues to discuss recent changes in regulations affecting utilities and other power generators.

Other confirmed speakers include an array of experts from top national law firms:

- Svend A. Brandt-Erichsen, Partner, Marten Law
- Michael G. Cooke, Of Counsel, Greenberg Traurig
- Teri Donaldson, Partner, DLA Piper
- Caileen Gamache, Counsel, Davis Wright Tremaine LLP
- Patrick E. Groomes, Head of Power and Alternative Energy, Norton Rose Fulbright
- Jim McTarnaghan, Partner, Perkins Coie
- Floyd R. Self, Partner, Berger Singerman
- Malcolm C. Weiss, Partner, Hunton & Williams

Discussion panels will be moderated by the editors of *POWER*, and attendees will have an opportunity to meet and network with all speakers during a closing reception. [LEARN MORE](#)

Intended for senior power sector management and others needing actionable intelligence on the significant recent changes in power industry regulations, the conference will cover the following topics.

New Energy Legislation and Litigation Affecting the Power Sector

What does the blizzard of new federal energy legislation this year mean for you and your plant? Legal experts will break down what has changed and what needs to change with it.

The Clean Power Plan: Uncertain Future, Certain Pain

With the final rule for the Clean Power Plan in place, but the outcome of litigation against it uncertain, find out what you need to know to protect your plant and your company from unnecessary risk and expense.

Surviving the Environmental Compliance Minefield: CCR, ELG, Ozone, 316(b), MATS 2.0, & More

The pace of new environmental regulation continues to accelerate. Knowing the rules doesn't mean you know the best ways of avoiding trouble. Hear about best practices to keep your plant and company in compliance while keeping costs under control.

Register by October 30 to receive the early bird rate: \$195
