Thank you! I am discussing Friday's events with Brandon right now. In an effort help Brett get to McEntire on time, I can pick up Mrs. Bryant from Mrs. Livingston's home and take her back to Adesso. Can you forward Mrs. Livingston's home address?

Thank you,

Lily

Hello!

1) First location:
2779 Fish Hatchery Road
West Columbia, SC 29172

Yes, Mrs. Bryant and Mrs. Livingston still stay there. It may be good to ensure she has a ride out--unless she departs in the car they arrived in as he will not be returning to that location.

Yes, after McEntire--the helicopter will remain at that base (preparing for follow-on mission). It would be good to have SLED agent there to meet him to take him to his next destination after his SCNG visit concludes at 1:30 p.m.

Hope this helps! Have a safe weekend!

Good morning!

I am so sorry for my delay - I was out of the office all day yesterday and I have been playing catch up today. But thank you so much for sending the itinerary - it looks wonderful.

I do have a couple questions: What is the address of the first location? And Mrs. Livingston and Mrs. Bryant will stay there for their quick meeting, correct? Also, should we have one of our agents meet us at McEntire at the end of the day or will we be flying back to the original location? I just wanted to make sure I knew what to tell our SLED agents.

Thank you so much, and we are so looking forward to next Friday!
Tori Beth

Tori-
Hello!

I wanted you to have this copy as we finalize the Lt. Governor's visit for next Friday. Please let me know if you have any questions. We have a few other officers working different aspects. We don't want to overwhelm you with calls--so please let me know if anything needs to be changed.

Thank you so much- MG and Mrs Livingston are looking forward to welcoming the Lt. Gov. and his wife and introducing them to the S.C. Military Department.
